Directions from Taos Plaza:

Drive north on Hwy. 64 out of Taos (the road splits, stay to the left).

Pass through the small town of El Prado, and continue on until reaching a four way intersection.

This is the intersection of Hwy. 64 (Conoco on the left) and Hwy. 150 (right, to Taos Ski Valley).

Turn right onto Hwy. 150. The road will zigzag through the village of Arroyo Seco, just keep going on Hwy. 150 and do not turn (apron. 15 miles).

Driving into the Ski Valley, you will see a series of parking lots on the right. Take the road between the lots and do not turn until the last lot on the left; turn left into the ARMADILLO Lot.

Upon entering the ARMADILLO Lot, pass by the Fire Station and the Children's Ski School until reaching the end of the ARMADILLO Lot. From this point you will see the sign that says Rio Grande Stables (RGS) Parking. **YOU ARE HERE!**

Here you will be met by stables personnel and checked in for your ride. Once you have signed the appropriate forms, been fitted for helmets if applicable and given the bags for your water and belongings, a staff member will escort you to the mounting area.

If you have any problems finding the location of the office, are running late or have any questions about the Taos area, please contact the Rio Grande Stables Staff directly at their cell phone number, (505) 681-0223.
